## THE NEWS

### Changes to the EcoCenter

After studying the EcoCenter's attendance data, it was noted that some users frequent the EcoCenter abusively. The municipal councils of member municipalities have decided to introduce a fee for 11 or more visits (annually).

Here is the price in effect in 2024:

- 10 free annual visits
- 11 to 15 visits: \$10/visit
- 16 to 20 visits: \$100/visit
- More than 20 visits: \$200/visit

## Draft by-law: Water Protection

At the last meeting, the council presented a **draft by-law** concerning its desire to maintain water quality on the territory. Invasive species are a real threat. The Council therefore wishes to reinforce protection measures.

This project proposes that each user must hold an access permit issued by the Municipality, or wash the watercraft (motor, trailer and accessories) at a washing station, before launching a watercraft (utility, motorized or non-motorized).

The Council undertakes to consult the various associations and committees. A **draft borrowing by-law** has been submitted for the acquisition and installation of a washing station. This expense would be levied annually during the term of the loan on owners of properties within the tax basin.

## Let's Become Precious Allies

We can all make snow-clearing operations easier by respecting the ban on parking, blowing or depositing snow on the municipal roads.

This simple gesture will be greatly appreciated by the workers!

## Town Hall as a Distribution Point

The Township of Wentworth's Town Hall has recently become a distribution point for the regional English-language Main Street newspaper.

Copies of the latest news are available free of charge from reception.

## Snowshoe Trails

Wentworth citizens are invited to explore the trail located near town hall. Perfect for snowshoeing enthusiasts!

Accessible from the city hall parking lot.
