Need a Helping Hand?

For four years now, the *Coopérative solidarité Coup de pouce Argenteuil* shines because of the professional services of domestic help and personal assistance it provides to residents of the MRC d'Argenteuil.

Whether it is for occasional work around the house come spring time or for housekeeping services on a regular basis, *Coup de pouce* addresses important needs of the population and does so at rates that are adjusted according to the client's income. Indeed, in many situations, especially for seniors wishing to stay home as long as possible, the help of a trustworthy individual to prepare meals, do errands, or even offer a few hours of respite to a caregiver is very valuable.

Anyone 18 years of age or over residing in one of the nine municipalities of the MRC d'Argenteuil is eligible to receive services provided by *Coup de pouce*. Fees vary depending on the type of services, the age, the annual income, and the marital status of the client. In addition, anyone 70 years of age or older is eligible for a tax credit. For personalized assistance plan, contact *Coup de pouce* Argenteuil's staff at 450 562-9993.

If you have any questions about other types of services in the area that could potentially meet your needs or simply someone to talk to, contact Maude Marcaurelle, liaison officer for seniors, at 450 562-2474, ext 2304.
